

Simple in design, strong in statement - Link Executive is the refined solution for private offices, meeting spaces and conferencing areas.

An understated metal structure painted chrome, aluminum or white supports either glass or melamine tops in a wide range of finish and color options. Mobile pedestals, service

units, bookcases and cupboards are equally versatile in material combinations and storage elements, making Link Executive as functional as it is beautiful.

With minimalistic design, even large conference tables remain lightly scaled and elegant. Extensions for desks provide additional meeting space in the office.
